

REMARKS

Claims 2 and 3 remain pending in the application. Claims 1 and 4-6 have been deleted without prejudice to their reintroduction herein or in a future divisional or continuing application.

The Examiner has identified claims 2 and 3 as containing allowable subject matter. Pursuant to the Examiner's constructive suggestion, claim 2 has been rewritten in independent form to include the limitations of base claim 1. Claim 3 depends from claim 2. Accordingly, Applicant respectfully submits that claims 2 and 3 are in condition for allowance.

Drawings

The drawings have been objected to as allegedly failing to show all of the features of claim 4.

Applicant respectfully submits that this objection has been rendered moot by the cancellation of claim 4. Accordingly, withdrawal of this objection is respectfully requested.
